

# Mass Notification

Keep everyone informed before, during and after a critical event

## Keep your people safe and business running – with the industry leader in critical event management

Critical events happen every day: severe weather, workplace violence, active assailants, operational disruptions, IT and power outages.

Everbridge Mass Notification enables you to connect and inform your entire organization in an emergency – within seconds. Facilitate two-way communication and mobilize your response team. Know your people are safe and your operations, supply chains and brand reputation are protected.

## Reach the right people, with the right message, at the right time

Broadcast to virtually any communication device and channel. Deliver spoken alerts with text-to-speech technology. Send notifications to individuals and groups using lists or geo-fencing. Draw virtual boundaries around a critical event and trigger automated alerts when a device enters the area. Send messages globally with multi-lingual support.
